Exploration Game Finders: Computer Lab / *Robotics*

Game Finders in the computer lab allows members to play learning games on approved BGCA websites. Through the Digital Arts Suite, members can create logos, design websites, and make mini movies and music videos. *Robotics* is a new program using Lego Mindstorms: members build a robot and manipulate its movements.

OMK Mentoring

The *OJJDP Mentoring* program is designed to offer youth of all ages a "protective factor to counter the risks they face in their daily lives" (OJJDP, 1998) by engaging in small group activities with a mentor, utilizing the areas of the Club.

Creation Station

Members are encouraged to tap into their creativity through arts and crafts activities, *Zumba* (dance aerobics), dramatic play (*TNT DramaMatters*), and music (*Spontaneous*).

Gymnasium

The *Gymnasium* is a place where the children learn about teamwork and sportsmanship while engaging in fun, physical activities to keep their bodies healthy. *Triple Play* combines and promotes health, fitness, and sports.

Swimming

Swimming alongside our Aquatics Coordinator, members have fun engaging in pool activities while being in a safe and supervised environment. Swimming devices and pool toys are available to the members.

Games Room Tournaments

Fun age appropriate, social recreation tournaments are scheduled in the *Games Rooms*, such as: Mystery Pool, Cherry Pick, Poly Pong, Ping Pong, Foosball, and Air Hockey. Members learn the importance of sharing, respect, and teamwork.

Wilson Literacy / Mondopad

The *Mondopad's* vast technology will allow our members opportunities traditional PCs do not offer. More importantly, use of the Mondopad will not only strengthen our members' computer skills, it will enhance their literacy skills in reading and writing through *Wilson Language Arts* activities.

FREE: “Stars & Saddles” and “Family in Transition” Horse Camps

Location: Smithfield Farm, 809 Sandwich Rd, Falmouth

July 28 - Aug 1

9 a.m. - 3 p.m.

A week long day camp!

Offered to Air National Guard children ages 8 - 14.

\$295 fee waived by 4-H/Air Force Military Partnerships

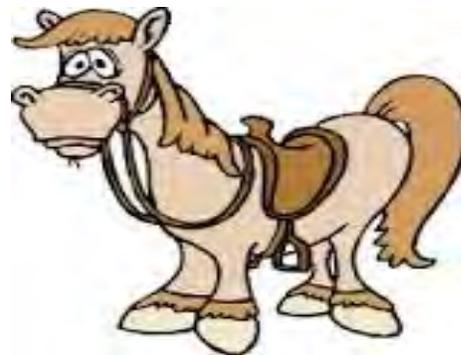

Aug 11 - 15

3 p.m. - 7 p.m.

Second annual camp!

For military families who are undergoing or have recently undergone a deployment.

Funded fully by Heroes in Transition

Each day will consist of a formal riding lesson with Carol and Amanda, our head instructors, lots of hands on horse care, horse related activities (such as learning body parts or proper horse nutrition, bathing a horse, or how to properly “time” a jump), Miniature Horse time (a camp favorite) and horse-related art and music activities. The campers will also be teamed up in groups of 2 or 3, in which they will work together to care for a particular horse. They will build the skills necessary to safely care for and enjoy a horse by practicing:

leading a horse safely, tacking and untacking, preparing a horse for riding, grooming, mucking a stall, and many other necessary skills. Aside from the daily activities, each week will include a visit from a horse professional, such as a veterinarian or a blacksmith, and either a trail ride or a small horse show on the last day of the week!

Your whole family is invited to spend a week to learning about and working with horses. We will serve you dinner each night, and adults and children will break out into separate support groups after dinner. Adults will have “down time” to share challenges and to connect with local community military support groups. Youth will participate in a variety of activities including a lesson in drumming, arts & crafts, Life is Good interactive playmaker games and more! There will be babysitting on site for families with children too young to participate.

For more information, To obtain a registration form or for more details, contact Kerry Bickford, OMK Coordinator, by [Email](#) or call 508 - 375 - 6695.

TUTOR.COM

KEEP THE BRAIN FIT FOR THE SUMMER!

Tutor.com for U.S. Military Families understands the need for students to have fun over the summer! We also listened to parents who told us they want ways to keep their children's brains active during the break so they don't fall behind or lose motivation. With these things in mind, our military team has worked with our awesome tutors to create some fun activities that can be used to help keep the brain fit and prevent the summer slide.

Tutor.com for U.S. Military Families knows that all the students out there are ready for a summer break! While it is important for students to “rest” their brains over the summer, we also don't want them to be totally out of shape when they go back to school in the fall! To help prevent that summer brain slump, our team has created several items to help “keep students' brains fit” this summer.

The military team at tutor.com worked with our awesome tutors to create a booklet of fun summer activities that challenge students to use math, science and English in new and different ways, like building a space station, writing their own anthologies and more! We have also created a “Math Fitness Challenge” with a weekly math problem to tackle. These fun summer activities can be done by the students alone, with their siblings, friends and parents. Or they can be used as a “rainy day activity” in summer camps or other group settings.

You can find these activities as well as information about MWR Library's Summer Reading Program at www.tutor.com/military/brainfit

Boots to Business: Reboot is an entrepreneurial education program offered to veterans by the U.S. Small Business Administration (SBA) in partnership with the Institute for Veterans and Military Families at Syracuse University (IVMF). Modeled after the existing Operation Boots to Business: From Service to Startup program, this program will be offered in twelve U.S. cities in July and August. The curriculum provides valuable assistance to veterans exploring self-employment opportunities by leading them through the key steps for evaluating business concepts and the foundational knowledge required for developing a business plan. Participants are also introduced to SBA resources available to help access start-up capital and additional technical assistance.

Local Class Date:

Boston, MA August 5–6

MORE INFO:

HOW TO PARTICIPATE Visit boots2business.org/reboot-apply.aspx to register!

ELIGIBILITY The program is available to all honorably discharged veterans and their spouses.

COSTS & LOGISTICS This program is available free of charge at participating locations to veterans and their spouses.

TWO-PART PROGRAM

This course is taken in select cities around the country. It is a two-day, instructor-led by subject matter experts from the SBA, SBA resource partners, entrepreneurship professionals, or an entrepreneurship professor from the Institute for Veterans and Military Families at Syracuse University (IVMF). Participants learn business fundamentals and work through an initial feasibility analysis of their business concepts.

Upon completion of Introduction to Entrepreneurship class, participants can elect to further their study through an instructor guided eight-week online course led by the IVMF at Syracuse University. Completion of this course requires approximately 10 hours of study each week to guide participants through the fundamentals of developing a business plan.

After completing Boots to Business: Reboot, participants will have the tools and knowledge they need to identify a business opportunity, draft a business plan, and launch their enterprise.

National Aviation Day

The New England Air Museum is celebrating National Aviation Day on August 19, 2014.

On this day, which coincides with Orville Wright's birthday, the Museum will host a variety of activities that are all geared toward making the day fun and enjoyable for visitors.

The activities include boarding the Museum's newest display aircraft, the Coast Guard Dassault HU-25 Falcon; designing a glider built around a straw that will fly the longest distance possible in a straight line; taking a behind-the-scenes tour of the Restoration Hangar for a close look at the current major projects including the P-51 Mustang, DC-3 airliner and the Burnelli CBY-3.

Visitors will meet the volunteers who are working on these aircraft, and they will also get to take a look inside the Museum's 22,000 sq. ft. storage hangar which is filled with vintage aircraft.

Additionally they will be greeted by a re-enactor portraying Orville Wright, and youngsters will get a chance to fly the original Wright Flyer simulator. Also, there will be two presentations of the play PAPER AIRPLANES, an original Museum production. The play tells the story of Mary Goodrich Jenson, Connecticut's first license female pilot. In honor of Orville's birthday, birthday cake will be served to all.

The Museum will be open from 10:00 am to 5 pm. Admission is \$12 for ages 12 and up, \$11 for seniors 65 and up and \$6.50 for ages 4 to 11. Children under 3 are admitted free. For more information, visit www.neam.org or call (860) 623-3305.
