

104th Fighter Wing Environmental Commitment

The 104th Fighter Wing mission is to maintain military forces in order to provide combat ready F-15 aircraft and support elements in response to wartime and peacetime tasking under state and federal authority.

The Air National Guard follows Air Force Policy Directive 90-8
Environment, Safety & Occupational Health Management and Risk Management:

Air National Guard Commitment

- Compliance
- Risk Management
- Continual Improvement
- Environmental Management System Implementation and Maintenance

104th FW Commitment

- Comply with all applicable federal, state, and local environmental laws, regulations, rules, standards, Executive Orders, Department of Defense, and Air Force guidance documents
- Proactive stewardship of natural, manmade and cultural resources; eliminate, reduce and/or manage environmental aspects and impacts
- To implement, maintain and continually improve the environmental management system

Your Commitment

- Know the Air Force's Policy (AFPD 90-8)
- Follow all environmental regulations and laws
- Proactive stewardship like pollution prevention (reduce, reuse, recycle)
- Continually improve environmental practices
- Include environmental aspects and impacts into the decision-making process
- Know how to respond to environmental emergencies like spills
